

What is a SwiMarathon?

The Rotary **SwiMarathon** is an annual event for families and friends of all ages to get together and have fun swimming. Beginners and experts can all take part. Swimmers are encouraged to raise sponsorship.

Money raised at previous SwiMarathons so far is over £50,000 which has been given to local causes.

Each team of up to 6 swimmers has one lane of the pool for one hour to swim in a relay, usually between 4 and 8pm. In 2017, over 40 teams took part.

Can you raise a team for the 8th SwiMarathon?
